

Aquatic Fitness Safety Procedures

Actions we are taking to ensure a safe environment for everyone.

- Classes are limited to semi-private sessions of (2) people to adhere to proper social distancing. Family sessions can accommodate up to (3) people in the same household.
- We will have one entrance, outside, to enter and exit the pool area. All children must be accompanied by a parent.
- An outdoor waiting area with covered tables and chairs are positioned to provide 6 feet or more separation to implement social distance sitting. Tables and chairs will be cleaned before and after each session. Parents will be required to social distance to protect others that may be waiting.
- Swimmers need to be ready in their swim attire with their own swim caps, goggles, and towel. WaterFIT participants need to be ready in their swim attire with their own gloves, if applicable. Gloves may be purchased from instructor.
- Sunscreen is highly recommended. Bug repellent, water bottles and snacks are permitted. Bathrooms are to be used only in an emergency to minimize virus exposure.
- All swimmers and WaterFit participants should bring any medications that might be needed i.e., asthma inhaler, allergy medicine, etc.
- All swimmers and WaterFit participants will receive a temperature check before entering the pool. All staff will also receive a temperature check before each shift.
- Aquatic instructors will wear face shields while in the water with swim students and WaterFit participants.
- Pool will be regularly checked to ensure proper filtration and chemical levels.
- We require all Aquatic Fitness participants to complete a Terms of Service Agreement before their first scheduled class session.
